

One Shot World Print Instructions

Print the **Core Rules** booklet on 8.5 x 11 paper (or A4, scaled to fit). Print double-sided, flipping on the short edge.

Fold in half and staple 5.5" down the middle edge. Then staple on the far edge (the left-side of the page) in the top, middle and bottom of the booklet.

Next, print the PDF called "**OSW Playbooks**" as double-sided ("short side"), landscape. The playbooks are meant to be folded into little booklets; the Basic & Adventuring Moves inserts should be cut down the middle.

Finally, print the GM Sheet Cheat Sheet, if you feel you need it.
